WAWM Vision Statement

Word At Work Ministries is a teaching church.

The primary purpose of WAWM is to help people to experience the transforming power of God's Word. We will accomplish this by:

Teaching and preaching the Gospel of Jesus Christ.

Presenting every member a minister through Christian education.

Training up skilled ministers in the ministry of Christ.

Establishing a home cell group ministry to expand the church.

Networking globally with leaders in the Body of Christ.

Becoming an international artery for missions.
